Podcast Transcript – Learn English Every Day

Anna: Hey, hi! Welcome to Easy English Podcast Show. I'm Anna.

Mike: And I'm Mike. So, what's today's topic? English Everywhere, yeah?

Anna: Yeah, English Everywhere. You know, English at home, on the street, in a cafe, at work... just everywhere.

Mike: Right. Oh, and before we forget — more materials for this podcast are in the description, or on our website, English-Podcast.com.

Anna: Yeah, check it out. OK, let's start.

Why English Is Everywhere in Daily Life

Mike: So, what are we talking about today?

Anna: Today we talk about a very important topic — English everywhere. We talk about English in our everyday life: in songs, apps, cafes, the internet, at home, on the street, and so on.

Mike: Because English is not only in the classroom. English is everywhere.

Anna: Yeah, that's true. You can learn English just by doing your things. You learn it in a natural way.

Mike: It means English is around us. We can see English signs. We can hear English every day, everywhere.

Anna: For example, you go to the city. You see a sign. You see a shop name. You see an app on your phone. Or you look at song words. You look for info on the internet. Yeah, anywhere.

Mike: English is the number one language in the world. So you can find it in any corner of the world.

Anna: Interesting — in our own language, many words come from English.

Mike: Because it's the most popular and useful language in the world.

Anna: That's true. So let's look at an example when English helps in a difficult situation. It is really useful.

Mike: Let's go!

Roleplay: Using English in a Taxi App

Anna: Oh, Mike, imagine: I'm in another country. I want to call a taxi with an app. But the app is all in English. I press the wrong thing and I panic.

Mike: OK, let's act. You are a traveler. I am a local person. Let's go.

Anna: Excuse me, I need a taxi. I open the app, but I don't understand. Here: "Pick-up location." What is it?

Mike: It means the place where the driver picks you up. Where are you now?

Anna: I'm near the coffee shop. But I pressed "Cancel," not "Confirm." Oh no.

Mike: Don't worry. Look: "Destination" — that's where you go. Type your hotel here.

Anna: Hotel? OK. "Grand Hotel." And then?

Mike: Then choose "Cash" or "Card." "Confirm ride" — confirm the ride.

Anna: Confirm ride. OK. And what does "Driver is on the way" mean?

Mike: It means the driver is coming. Wait here. You see? English helps.

Anna: Yes! Thank you! Now I understand: pick-up location, destination, confirm ride, driver is on the way.

Mike: Perfect. And if you don't know a word, open a translator and ask: "What does this word mean?"

Anna: And ask: "How can I use it?" That's the best way to learn.

Repeat After Us: Taxi App Phrases

Anna: Let's repeat the phrases from our roleplay. Listeners, repeat after us.

Mike: "Pick-up location" — the place where the driver picks you up.

Anna: "Pick-up location."

Mike: "Destination" — the place where you go.

Anna: "Destination."

Mike: "Confirm ride" — confirm the ride.

Anna: "Confirm ride."

Mike: "Driver is on the way" — the driver is coming.

Anna: "Driver is on the way."

Mike: "Cash or card?" — cash or card?

Anna: "Cash or card?"

Mike: And also: "Excuse me, I need a taxi."

Anna: "Excuse me, I need a taxi."

Mike: "I don't understand."

Mike: "Can you help me?"

Mike: Great. Now let's make a mini-dialogue.

Anna: Excuse me, I need a taxi. I don't understand the app. Can you help me?

Mike: Sure. Where is your pick-up location? What is your destination?

Anna: Pick-up location is the coffee shop. Destination is the Grand Hotel.

Mike: Good. Choose card or cash, then confirm ride.

Anna: Confirm ride. Thank you!

Mike: You're welcome. Driver is on the way.

Anna: Great! Repeat these phrases every day, and you will remember them.

How to Learn Words in Context

Mike: When I started learning English, I thought I had to study only from a book. But my progress was slow.

Anna: And what changed?

Mike: I understood: you must learn English all the time. Not only when you have free time and want to.

Anna: That's true. Now every person has a smartphone in their hand.

Mike: Yes. If you see a word you don't understand, and you want to know what it means, just ask a translator: "What does this word mean?"

Anna: And it's important to ask: "When can I use it?"

Mike: For example. The word "confirm" means to say yes, to make sure. But in a taxi app, you see "Confirm ride" — confirm the ride. And in a cafe, maybe "Confirm your order" — confirm your order.

Anna: So the translation alone is not enough.

Mike: Exactly. So learn words in context. It is very useful and effective. It helped me, and it will help you. I promise.

Vocabulary Recap: English Everywhere

Anna: In the last part, let's repeat the useful words and phrases from today.

Mike: "English Everywhere" — English everywhere.

Anna: "Sign" — a sign, words on a wall or street.

Mike: "App" — an application.

Anna: "Song" — a song.

Mike: "Internet" — the internet.
